George Tziagiannis quoted on ABS market in Total Securitization

Wednesday, 25 November 2009 10:19

George Tziagiannis who is StormHarbour's recently hired head of European ABS trading and is based in London, was quoted last week in Total Securitization on his views on the ABS market.

"You can't have a jobless recovery. Eventually, fundamentals have to materially improve in order to catch up with the spread tightening of the last months."
