StormHarbour Completes CMA CGM Restructuring Mandate

Wednesday, 04 May 2011 14:28

StormHarbour has successfully completed its mandate to advise and assist CMA CGM, the world's third largest container shipping company, in the implementation of the restructuring principles regarding \$4bn worth of its existing debt facilities.

The successful implementation of the restructuring principles, which has significantly strengthened CMA CGM's capital structure and balance sheet, demonstrates StormHarbour's specialist expertise in complex financial advisory situations, its independence and its ability to focus exclusively on its clients' specific needs.
